Recent / Current Asian NTA Activity

1. UNFPA / IDRC funded project (ended in Spring 2012)
2. Collaboration with global institutions
 - China 2030: Led by the World Bank & Development Research Center of the State Council, PRC
3. NTA topical project where Asian NTA participates
 - NTTA : China, Japan, S. Korea, Vietnam, etc.
 - GA: India, Japan, S. Korea, etc.
 - Bequest model: Japan
4. Exploration of new data sets: CHARES, JSTAR, UNICEF
5. In-country projects

Funding Situation

- Discussing with UNFPA Bangkok Office
 - Strong supports from some country representatives (e.g. Thailand, India, Vietnam)
- 2014 Asian Development Outlook
- In-country funding
 - China, Japan, Taiwan, Thailand

Main gaps in Asia-Pacific NTA

- No regional level project / funding at this moment
- Country teams still need knowledge and skills
- Data improvement and research
- Policy awareness
 - Involvement of government: Thailand (NESDB)
 - Statistics Bureau: Cambodia and S. Korea
